

Website Terms of Use

Last Updated: April, 2026

Welcome to CyberOps Technologies. By accessing or using this website, you agree to the following Terms of Use. If you do not agree with these terms, please discontinue use of the site.

1. Purpose of the Website

This website provides information about our cybersecurity services, including penetration testing, cloud security reviews, risk management, compliance advisory, and related consulting services. Information on this website is provided for general informational purposes only and only constitute legal, regulatory, or professional advice.

2. Permitted Use

You agree to use this website only for lawful purposes. You may not:

- Attempt unauthorized access to our systems, accounts, or networks.
- Probe, scan, or test the security of this website without prior written authorization.
- Introduce malware, malicious code, or other harmful material.
- Interfere with the operation, performance, or availability of the website.
- Use the website in violation of applicable laws or regulations.

Important

Unauthorized security testing, vulnerability scanning, or attempts to exploit this website are strictly prohibited and may result in legal action and reporting to appropriate authorities.

3. Intellectual Property

All content on this website, including text, graphics, logos, images, reports, designs, and other materials, is owned by or licensed to CyberOps Technologies and is protected by applicable intellectual property laws.

You may not reproduce, distribute, modify, or create derivative works from this content without our prior written consent.

4. No Client Relationship

Submitting a contact form, requesting a quote, scheduling a call, or communicating with us through this website does not create a personal relationship.

A client relationship exists only after a formal written agreement has been executed between you and CyberOps Technologies.

5. No Warranty

This website and its contents are provided “as is” and “as available.” We make no warranties, express or implied, regarding:

- Accuracy, completeness, or timeliness of information
- Availability or uninterrupted operation of the website
- Fitness for a particular purpose
- Security or error-free operation

6. Limitation of Liability

To the maximum extent permitted by law, CyberOps Technologies shall not be liable for any indirect, incidental, consequential, special, or punitive damages arising from your use of this website or reliance on its contents.

7. Third-Party Links

This website may contain links to third-party websites. We do not control or endorse those sites and are not responsible for their content, security, or privacy practices.

8. Privacy

Your use of this website is also governed by our Privacy Policy, which explains how we collect, use, and protect personal information.

9. Changes to These Terms

We may update these Terms of Use from time to time. Changes become effective when posted on this page. Continued use of the website after changes are posted constitutes acceptance of the revised terms.

10. Governing Law

These Terms of Use shall be governed by and construed in accordance with the laws of your Jurisdiction and mine, without regard to conflict of law principles.

11. Contact

For questions regarding these Terms of Use, contact:
