

CYBEROPS TECHNOLOGIES

Penetration Testing NDA

Mutual Non-Disclosure Agreement (NDA) Penetration Testing Engagement

1. Parties

This Agreement is between CyberOps (Service Provider) and the Client.

Client Name: _____

Effective Date: _____

2. Purpose

To enable secure exchange of confidential information for penetration testing and security assessment services.

3. Confidential Information

Includes systems, networks, credentials, vulnerabilities, reports, and any sensitive business data.

4. Obligations

Information will be used only for the engagement, protected securely, and not disclosed without consent.

5. Testing Authorization

The Client authorizes CyberOps to perform security testing on approved systems.

6. Scope

Domains/IPs: _____

Systems: _____

Environment: Production / Staging

7. Data Handling

CyberOps will minimize access to sensitive data, securely store findings, and report critical risks immediately.

8. Reporting

Findings will be shared only with authorized personnel and not disclosed publicly without approval.

9. Term

This agreement remains valid during the engagement and up to 90 days after completion.

10. Governing Law

This Agreement shall be governed by applicable jurisdiction laws agreed by both parties.
